

## Scoutmaster Surprise Meeting April 1, 2010

Every year we have one informal meeting where the Scoutmaster tries to surprise everybody with a special program. Last year we had a lost person exercise where only a handful of people knew that it was not real. In fact, it seemed so real that one parent called me to ask me how we could possibly have lost a Scout. But it was a citizen who was "lost," not a Scout.

So what's the program? Well, it's a surprise. Show up at the Hastings Park bandstand ready to walk a few blocks. You should have with you:

- Flashlight
- Your personal first aid kit
- Good walking shoes
- Outdoor clothing suitable for the evening

The meeting will start at 6:30 PM and end at 8:30 PM.

Yes, we need adults to make sure there is adequate supervision.
